

# The Non-toxic, Sustainable Choice

All Bona floor finishes are non-toxic water-based coatings. The main difference between toxic solvent based coatings and non-toxic water-based coatings is the amount of Volatile Organic Compounds (VOC's) that evaporate as the finish dries.

Bona's low VOC's means there is no need to vacate premises during application due to solvent fumes and no concern about the health effects of toxic chemicals.

## Who is Bona?

- The market leader in non-toxic timber floor finishes globally
- Bona products are available in over 75 countries
- The No1 choice for professional contractors
- Experts in floor coatings & cleaning products since 1919

Please read the additional information regarding Bona finishes, including technical datasheets, safety information and slip resistance certificates at [bona.com.au](http://bona.com.au) before using this product.

# Bona Traffic HD

## Designed for Extreme Use Commercial Floors

Produced in Sweden, Traffic HD (Heavy Duty) has all the features and benefits of Bona Traffic, but is specially formulated for added durability and wear resistance. Traffic HD is 67% more wear resistant than standard Traffic and its quick drying and curing properties allow most floors to be put back into full use 24 hours after being completed.

Traffic HD is perfect for floors where extreme levels of traffic are expected such as retail shops, halls, museums, galleries and other public places.

- 2 component water-based top coat
- 100% polyurethane
- Extreme wear resistance
- Low-odour
- Non-toxic
- Non-yellowing and unaffected by UV light
- Suitable for over-coating pre-finished floors
- For use with Bona primers
- TVOC 50 g/Lt (all sheens)
- 4.75% total solvent content
- 8-10 m<sup>2</sup>/Lt coverage
- Drying time 2-3 hours between coats
- 1.5 mg/100 rev wear resistance (SIS 923509)
- 2 sheen levels: Satin and Extra Matt
- Gloss Level (60°):
  - Satin 45
  - Extra Matt 10

Bona's floor care products are GREENGUARD indoor air quality certified, which means they are safe for use around your home, your family and your pets.
